Web Developer

About Me

I am a beginner Web Developer that currently developing my skills at my current schools, SMK N 7 SEMARANG. I am a self-taught type of person, and easily mastering new things through praticing. I'm also an artist that currently opening commisions and practicing art freely in my spare time.

Projects

- MoodFlix, it was my first ever web I have done. The contents of the web is film-rater similar like IMDB. It was a school project that developed by 4 people including me. I was working as a project leader and main code writer.
- Kasentra, it was my second web project, developed by 6 people including me, it was a project from external courses (DICODING). The web we were making is a financial management application based on web for UMKM. I was working as UI UX designer.
- "Simple Calculator", it was my school project, developed by only me, it was my learn - task project, my little step to learn JavaScript.

Organizations

2024 - 2026

Rohani Islam, being a part of islamic organizations. Working on every Islamic event at school.

2024 - 2027

SEC (Stemba English Club), being one of the most active members, participating english competition out of school through this club.
